# CITRUS FRUIT VARIETIES

**RED SEEDLESS GRAPEFRUIT** has a characteristic pink tint to the meat. Some varieties have a "blush" on the skin. It has a good "shelf life." Store at 48°-55°. Averages 27-48 per 4/5 carton.

The **NAVAL ORANGE** is a large seedless orange. It peels and sections easily but is not quite as juicy as other varieties. A **VERY GOOD** eating orange with a good "shelf life." Store at 45°-55°. Average 36-80 per large carton.

**HAMLIN ORANGES** are round seedless thin skinned and have lots of sweet juice. It has a good "shelf life." Store at 45°-55°. A small orange, generally 100-125 with a few size 80 per large carton. This is naturally a small orange.

The **TANGELO ORANGE** is a hybrid cross between a Tangerine and a Grapefruit. It has a few seeds and lots of juice with a tangy sweetness to its taste. It is easy to peel like a Tangerine and divides into sections for easy eating. It is a fragile fruit and hard to ship. Shelf life is only fair. Store at 42-48°. Average 64-125 per large carton.

## CARTONS AND BAGS

### 4/5-Bushel Box

Our "large" carton contains:

27 – 48 Grapefruit

64 – 125 Oranges

36 – 80 Navels

### 2/5-Bushel

Our "small" order contains:

14 – 24 Grapefruit

32 – 62 Oranges

18 – 40 Navels

Please note: Our small orders are delivered in a 1/2-bushel mesh bag or a half-filled 4/5-bushel box. As the bags are made to hold 1/2 bushel, they will not be quite full with only 2/5 bushel in them. Whether you get the bag or half-filled box, you will get 2/5 bushel of fruit. We want our customers to get their money's worth!
